### TTA's 1st Annual Family Night

On Dec. 6th, TTA provided crafts, snacks, and a visit from Santa.

Turlock and Pitman High's Key Club advisors Kay Simmons and Jessica Insell organized dozens of high school volunteers who helped set up and run craft tables for TTA's family members. TTA Community Engagement Chair Angelica Grishaw (Walnut) planned each activity and made sure that every child left with a bag full of ornaments they had made and a smile on their face!
