MEET THE CANDIDATES

In February, a Congressional District 10 candidate requested a Q & A meeting with TTA members. The TTA Executive Board reached out to all candidates, including Representative Jeff Denham. We have a meeting set up for **Monday, March 12th**, at the Ceres CTA office from 5 pm-7 pm. Currently, Josh Harder and Sue Zwahlen will be attending. Please use the button to RSVP so that we can plan appropriately.

PROOF OF INSURANCE

Per district email from Roberta Cheney:

The deadline for members not medically insured through the district has been extended to **March 7th**.

An evidence of coverage document from your insurance company or a copy of a current insurance card should be submitted to the TUSD payroll department by March 7th, 2018. This can be e-mailed to Sarah Schrole at sschrole@turlock.k12.ca.us or delivered directly to payroll. Sarah will confirm receipt of e-mails. The Fiscal Services office will be open 7:30 am-5:00 pm to assist you.

TUSD BOARD OF TRUSTEES ELECTIONS

Later this year, Turlock will have the chance to elect new Board of Trustees in Zones 2, 4, and 6. TTA will be hosting an event to meet the movers and shakers in Turlock who are interested in shaping education in Turlock. Please contact Christine if you would like to work on the committee to identify community leaders for education.
