SOWING THE SEEDS OF SUCCESS

We WON!

Turlock TA members are triumphant in an Unfair Practice Charge case against the District's unilateral change to deny Units for Salary Advancement under the Professional Growth Policy!!!

The wheels of justice turn slowly, but they turn, and TTA members will recover from the harm the District imposed by denying units for salary advancement.

Congratulations to bargaining unit members for standing up for justice!

If you were denied professional growth units during the 2013-14 and 2014-15 school years that may have negatively impacted salary advancement, please contact TTA president Christine Rowell at turlockta@gmail.com **as soon as possible** so TTA can ensure you are made whole.
