## SOWING THE SEEDS OF SUCCESS

### CEASE AND DESIST ORDER

"An injury to one is an injury to all." Because Turlock teachers are passionate advocates for students and colleagues, TTA delivered a Cease and Desist Order to TUSD on behalf of two teachers whose working conditions were changed by an administrator who did not go through the bargaining process. The Cease and Desist Order followed unsuccessful attempts to resolve the contract violation by the affected teachers, their Site Representatives, and TTA leadership.

If you feel your working conditions have been unfairly changed, consult with your Site Representative or the appropriate Rep on the E-Board. Most issues can be solved with a conversation!

### WAKEFIELD MEETING

TUSD is hosting a community meeting at Wakefield on Nov. 1st from 5:30 - 6:30 to discuss the proposed new school boundaries. If the proposed changes are accepted by the TUSD Board of Trustees, most of the students who will not attend Wakefield will now consider Cunningham their neighborhood school.

Teachers from both sites are encouraged to attend and invite community members to discuss safe walking/biking routes, capacity at Cunningham, and other concerns.

### TTA EQUITY TEAM

Part of CTA's mission statement is "to ensure that the human dignity and civil rights of all children and youth are protected; and to secure a more just, equitable, and democratic society."

The Equity Team is comprised of three lead contacts, Human Rights, GLBT, and Women's Advocacy, as well as other members who want to be on the team. The team will meet several times a year to organize, advocate, and educate in areas of social justice for our members, students, and community at large. The TTA Equity Team is in need of a Women's Advocacy contact and a GLBT contact to work with Kelly Villalobos, our Human Rights contact.

If you are interested in serving on the team or being one of the contacts, please contact Christine Rowell at (209) 648-6914 or email [TurlockTA@gmail.com](mailto:TurlockTA@gmail.com).
