CEASE AND DESIST ORDER

"An injury to one is an injury to all."

The response to our Cease and Desist Order was delivered today to principals across the district. Special Ed teachers who had been ordered to offer full-instructional days during Parent-Teacher Conferences have now been told that students will be on early release with para supervision.

If you feel your working conditions have been unfairly changed, consult with your Site Representative or the appropriate Rep on the E-Board. Most issues can be solved with a conversation!

This awards program provides recognition for teams of students and their teachers who demonstrate an understanding of the vision and guiding principles by which César Chávez lived his life. The recipients, both students and sponsoring CTA members, will receive up to \$550 and their work will be recognized by the posting of visual art and written essays online and in various CTA publications. The exact amount will be determined by the Awards committee. For more information, click [here.](#)
