SOWING THE SEEDS OF SUCCESS

TTA 'CALL TO ACTION'

TTA Leadership and Negotiations need YOU at the Oct. 17th Board Meeting for an address to the board about this year's Negotiations! Site Reps will provide more info this week!

CATASTROPHIC LEAVE DONATION

Two teachers are in need of our help. Both teachers have reached their 6th week of differential pay and will be unable to work for some time. We may donate up to 30 days total per teacher at a time.

Diane Gilmore teaches PE at Turlock High School and has been a Turlock Teacher for 38 years.

Diana Brown teaches LA/History at Dutcher and has been a Turlock Teacher for 17 years.

If you are willing and able, please submit a record of absence and indicate

- 1) whether you would like to donate 1 or 2 days, and
- 2) which teacher you are donating them to.

Please submit as soon as possible, and have your Site Secretary send them to Cheryl Crawford at HR. You will receive notification from the district if your donation is used. If more than 30 days are donated, the first 30 will be used.

Thank you for helping these teachers during this difficult time.
